Re: Second Extension of Filing Deadline for Year 2020 Annual Operations Reports

Dear Ms. Ampadu:

On March 2, 2021, the Commission granted your requests to be allowed to delay the filing of the 2020 Annual Operations Reports for Certificate Nos. 684, 72, 227, 230, 735, and 749, from March 31, 2021, to July 31, 2021.¹ The requests indicated that the audited financial statements would not be complete until May 2021. We reviewed those requests and determined that an extension should be granted.² On July 29, 2021, the Commission received a request to extend the filing deadline from July 31, 2021 to August 31, 2021. In the request TDX indicated an additional extension was needed for its CPA to review its annual reports prior to submission to the Commission.

We reviewed the request and determined that an extension should be granted; therefore, we grant TDX's request to extend the annual report filing deadlines until August 31, 2021. TDX should update the preliminary data entered in the online annual reports, when finalized numbers become known, if necessary.
